Dear Friends,

In the next few weeks, marriage in Australia faces unprecedented pressure:

- This weekend the Labor party conference could vote to make support for 'same-sex marriage' binding on all its members – potentially removing freedom of conscience for anyone who believes marriage is between a man and a woman
- On August 11, it is expected that a cross-party Bill to legalise 'same-sex marriage' will be tabled in federal parliament; the definition of marriage in Australia could be changed forever – with a number of harmful consequences for our nation

*What defines marriage? Why should Christians care? How can we respond in a godly manner?*

To help you answer these critical questions, a number of local church leaders have united together for the **Hobart Marriage Forum on Thursday 6<sup>th</sup> August 7.30pm, at C3 Church.**

Each of our speakers has demonstrated leadership on marriage in their sphere of culture, despite significant pressures. We want to honour their bravery – and also draw together Christians from across Hobart to be informed, encouraged and equipped on this important issue.

We'd love for you and your church friends to come!  
Please join us – so we can stand united, at this critical time.  
In Christ,

**Jim Collins** – Tasmania State Director, FamilyVoice Australia  
&  
**Mark Brown** – Tasmania Director, Australian Christian Lobby
