

We would like to check that we have up to date lists of those who are Bible Readers and of those who lead Prayers of the People.

Please tick if you are involved or want to be involved

The Mural Launch

*Everyone is invited and encouraged to attend on
Thursday 15th October at 12.30pm*

Certificates will be presented by the Mayor of Glenorchy to those who participated in painting the mural.

Then lunch will be served. Legs and Breasts are supplying the food.

We need to provide tea and coffee and drinks for the students.

Thank you to the Glenorchy Congregation for their lovely get well card and prayers.

My ankle is healing well and the physiotherapist has me on pre-walking exercises. I see the specialist again in October and hope to have a screw removed so that I can start walking again.

In the meantime Lance is enjoying being able to 'push me around' in the wheelchair. Once again thank you for caring.

Heather Cowled

Further information overleaf
