SUPPLY MINISTRY

Arrangements are nearly in place for John and Heather Selwood to provide Supply for the Derwent Cluster from the 16th of July to the 26th August this year.

This period of Supply is seen as an opportunity for our Lay Preachers to have some respite, and for the Cluster to learn and gain from the considerable experience of two ordained ministers.

Although they will arrive in their own caravan, they will be a little bit squeezed over six weeks, so some additional accommodation is being sought, by way of working space and facilities, and sleeping quarters.

It was thought such additional accommodation might be available, but this is now not the case. **Any thoughts or suggestions on locating suitable accommodation would be more than welcome so as to ensure this offer of Supply can go ahead.**

ACC (Assembly of Confessing Congregations) Southern Cluster invite you to join them on **Sunday 20th May at 2 pm** in the Wesley Hall Melville St For a time of worship and to hear our guest speaker **Raj Chopra of the Intercultural Church**, who will share with us the story of his journey from being a member of a Hindu family in India to Christian leadership in Tasmania.
